II. Submitting Information for the Part 2 Application

Materials required for your Part 2 Application must be submitted through the online Part 2 Application Form or via electronic means according to the instructions found in your Notification of Qualification as well as instructions included as part of each Insert. You must complete all applicable Inserts and provide additional verification on the identity of the signatory when required. Inserts are separate forms in Microsoft Word format posted to the “[application process](#)” page under the “bidder info” tab of the BGS Auction website. The Inserts are grouped depending on the Auction or Auctions in which you are participating. Each Insert provides instructions on whether the Insert must be submitted by email to the BGS Auction Manager at BGS-Auction@nera.com, or may be uploaded to the online Part 2 Application Form, or may be submitted by either method. The amount and the type of Pre-Auction Security required to support your indicative offer at the maximum starting price were provided with your Notification of Qualification.

On the following pages are a series of steps to explain how to navigate and complete the online Part 2 Application Form. These steps include:

- A. Entering information into the online Part 2 Application Form;
- B. Downloading the Inserts;
- C. Saving entries;
- D. Submitting the online Part 2 Application Form; and
- E. Logging out.
