ENERGY

IN THE MATTER OF THE PROVISION OF BASIC )  
GENERATION SERVICE (BGS) FOR THE PERIOD )  
BEGINNING JUNE 1, 2021 ) DECISION AND ORDER  
DOCKET NO. ER20030190

**Parties of Record:**

**Matthew Weissman, Esq.**, on behalf of Public Service Electric and Gas Company  
**Gregory Eisenstark, Esq.**, Windels Marx Lane & Mittendorf, LLP, on behalf of Jersey Central Power and Light Company  
**Philip J. Passanante, Esq.**, on behalf of Atlantic City Electric Company  
**Margaret Comes, Esq.**, on behalf of Rockland Electric Company  
**Stefanie A. Brand, Esq., Director**, New Jersey Division of Rate Counsel

**BY THE BOARD:**

The Board issued Orders in Docket No. ER18040356 dated November 19, 2018 and Docket No. ER19040428 dated November 13, 2019, which approved, with modifications, the joint Basic Generation Service (“BGS”) proposals of the State’s Electric Distribution Companies (“EDCs”) -- Atlantic City Electric Company (“ACE”), Jersey Central Power and Light Company (“JCP&L”), Public Service Electric and Gas Company (“PSE&G”) and Rockland Electric Company (“Rockland”) -- that used a descending clock auction format to procure two-thirds of the State’s BGS requirements for Residential and Small Commercial Pricing (“RSCP”) customers for the period beginning June 1, 2021 and ending May 31, 2022. In those prior Orders, the Board did not address how the remaining BGS requirements for RSCP customers, as well as the State’s annual BGS requirements for Commercial and Industrial Energy Pricing (“CIEP”) customers, would be procured for this period.<sup>1</sup>

Prior Board Orders also approved a process for Rockland to procure the capacity and energy needs of its Central and Western Divisions, where previous purchases of capacity and energy were from the New York Independent System Operator (“NYISO”). Going forward and to the extent not previously addressed by the Board, Rockland will need to address the procurement of capacity and energy needs for those regions in its company specific proposal.

---

<sup>1</sup> If the EDCs continue to propose a three (3) year rolling product as in the past, the BGS RSCP requirements procured for the period beginning June 1, 2021 will supply one-third of the BGS RSCP load for the period June 1, 2021 through May 31, 2024.

The process adopted by the Board to determine how to procure BGS for the past 19 years has provided an opportunity for participation by all interested parties through both written comments and at public hearings. These procedures have resulted in a wide range of BGS suggestions, a timely Board decision and, ultimately, a successful procurement process. Accordingly, the Board intends to initiate a proceeding to determine the best procurement process for BGS-RSCP and BGS-CIEP requirements, and the capacity and energy needs of Rockland's non-PJM service area within New Jersey, for the period beginning June 1, 2021. This proceeding is similar to the process employed for the past 19 years. The proceeding will include an invitation for all parties to propose how to procure BGS supply, the ability for all parties to issue discovery, provide written comments to the Board, and provide oral testimony at both legislative type and public hearings where the Board encourages the use of expert testimony. The proposed procedural schedule anticipates a Board decision on the process in November 2020, a BGS procurement process in February 2021, and a Rockland process for its non-PJM service area's capacity needs.

Therefore, the Board **DIRECTS** the EDCs - ACE, JCP&L, PSE&G and Rockland - to file proposals no later than July 1, 2020, addressing how to procure the remaining one third of the State's BGS-RSCP requirements and the annual BGS-CIEP requirements for the period beginning June 1, 2021 and **DIRECTS** Rockland to file a proposal as part of its July 1, 2020 BGS filing to procure the BGS capacity and energy requirements for its non-PJM service area within New Jersey for the period beginning June 1, 2021. In addition, the Board also invites all other interested stakeholders to file alternative BGS proposals with the Board by July 1, 2020.

Furthermore, the Board **ADOPTS** the preliminary procedural schedule contained in Attachment A to this Order.

All discovery and comments must be filed with the Board's Secretary, and also be electronically served via email to parties on the attached electronic service list. Parties may request to be added to the electronic service list by emailing Stacy Peterson at [stacy.peterson@bpu.nj.gov](mailto:stacy.peterson@bpu.nj.gov) and Ryan Moran at [ryan.moran@bpu.nj.gov](mailto:ryan.moran@bpu.nj.gov).

All parties should adhere to the attached schedule unless otherwise directed. Parties will be advised of the time and place of the legislative-style hearing identified in Attachment A electronically via email, and through a posting on the Board's webpage. The Board and/or Board Staff will also notify parties through the electronic service list and, when possible, through the Board's webpage, of the time and location of any meetings or hearings as well as of any schedule changes.

This Order shall become effective April 6, 2020.
