COMMITTED SUPPLY

QUESTION:

Re: Page 3-4, Committed Supply. Please provide a list of each source of committed supply and its capacity. Please provide actual or estimated renewable attributes associated with each of these committed supply sources. Confirm that all of these attributes are provided to BGS suppliers, or explain otherwise.

ANSWER:

A list showing each source and the amount of committed supply available to PSE&G for the most recent 12-month period is attached. PSE&G provides the renewable attributes available from these generators on a pro-rata basis to BGS-FP suppliers.
