Re: In the Matter of the Provision of Basic Generation Service for the Period Beginning June 1, 2020 – Electric Distribution Companies’ (“EDCs”) BGS Compliance Filings - Docket No. ER19040428

At its public agenda meeting held on November 13, 2019 the New Jersey Board of Public Utilities (“Board”) approved the Basic Generation Service (“BGS”) procurement proposal made by the State’s four electric distribution companies: Atlantic City Electric Company; Jersey Central Power & Light Company; Public Service Electric and Gas Company, and Rockland Electric Company (collectively, the “EDCs”).

Consistent with the Board’s decision of November 13, 2019, the EDCs made compliance filings consisting of revised Auction Rules, BGS-RSCP and BGS-CIEP Supplier Master Agreements, and EDC-Company Specific Addenda.

As authorized by the Board, Board Staff has reviewed the compliance filings and has found them to be consistent with the Board’s decision of November 13, 2019. The EDCs should post the approved compliance filings on the BGS Auction website at: [www.bgs-auction.com](http://www.bgs-auction.com).

Sincerely,
