RE: In the Matter of the Provision of Basic Generation Service for the Period Beginning June 1, 2021 – Electric Distribution Companies’ (“EDCs”) BGS Compliance Filings - Docket No. ER20030190

At its public agenda meeting held on November 18, 2020, the New Jersey Board of Public Utilities (“Board”) approved the Basic Generation Service (“BGS”) procurement proposal made by the State’s four electric distribution companies: Atlantic City Electric Company, Jersey Central Power & Light Company, Public Service Electric and Gas Company, and Rockland Electric Company (collectively, “EDCs”).

Consistent with the Board’s decision of November 18, 2020, the EDCs made compliance filings consisting of revised Auction Rules, BGS-RSCP and BGS-CIEP Supplier Master Agreements, and EDC-Company Specific Addenda.

As authorized by the Board, Board Staff reviewed the compliance filings and found them to be consistent with the Board’s decision of November 18, 2020. The EDCs are instructed to post the approved compliance filings on the BGS Auction website at: www.bgs-auction.com.

Sincerely,

A handwritten signature in blue ink that reads "Aida Camacho-Welch".

Aida Camacho-Welch
Secretary of the Board
