

DRAFT ILLUSTRATIVE PART 2 APPLICATION FORM

This Part 2 Application Form is the application form to become a Registered Bidder in the New Jersey Basic Generation Service Residential Small Commercial Pricing (“BGS-RSCP”) Auction, or the New Jersey Basic Generation Service Commercial and Industrial Energy Pricing (“BGS-CIEP”) Auction, or both. The Application process is online and the format of this “paper” Part 2 Application is illustrative only. The requirements of this “paper” Part 2 Application Form are the same as the requirements of the online Form that Qualified Bidders use to become Registered Bidders.

Before completing this Part 2 Application Form, please review both the Auction Rules and the Supplier Master Agreement for the auction(s) for which you are applying (the BGS-RSCP Auction, or the BGS-CIEP Auction, or both) so that you understand the conditions under which the BGS Auctions will be conducted. Please see the Final BGS-RSCP Auction Rules and Final BGS-CIEP Auction Rules, which are posted at <https://bgs-auction.com/bgs.bidinfo.ar.asp> when they become available, and the Final BGS-RSCP Supplier Master Agreement and Final BGS-CIEP Supplier Master Agreement, which are posted at <https://bgs-auction.com/bgs.bidinfo.cc.asp> when they become available.

By having completed the Part 1 Application Form, you agreed to the Auction Rules [see Docket No. ER24030191] and you have accepted the provisions contained in the Supplier Master Agreement [see Docket No. ER24030191] for the service(s) that you are registering to provide (BGS-RSCP, or BGS-CIEP, or both).

Any information and materials that you submit in this application will be provided on a confidential basis to the BGS Auction Manager Team and representatives from the New Jersey Board of Public Utilities (“Board”). Information regarding your indicative offer(s) will be provided on a confidential basis to a committee of Electric Distribution Company (“EDC”) representatives, without revealing your identity. Information regarding your preliminary maximum interest in an EDC will be provided to representatives of that EDC without revealing your identity. A committee of EDC representatives will decide whether the form of Pre-Auction Security submitted is acceptable; Pre-Auction Security documents will be redacted so as not to reveal your identity or the amount of your indicative offer(s).

If you become a Registered Bidder for an auction, your name will be provided to other Registered Bidders for that auction on a confidential basis. You will be provided with total initial eligibility for that auction as well as a list of the names of other Registered Bidders participating in that auction. As part of this application, you are required to certify that if you become a Registered Bidder for an auction, you will keep confidential the list of Registered Bidders and total initial eligibility for that auction.

An email confirming receipt will be sent to you once your Part 2 Application is submitted online. This confirmation email will include the time and the date that it was received and will be sent to your Authorized Representative and all Nominee(s), if any. This confirmation of receipt will be sent after an initial review, either with a confirmation that your application is being considered, or with a deficiency notice (see below).

Incomplete Applications

If your Part 2 Application is incomplete or requires clarification, you will receive a deficiency notice. You will have until noon on the Part 2 Application Date, or until 6 PM on the business day following the business day during which a deficiency notice is sent to you, whichever comes later, to respond. If you do not correct or adequately explain the deficiency within the time allowed, your Part 2 Application may be rejected and you may be unable to participate in the BGS-RSCP Auction, or the BGS-CIEP Auction, or both.

Late Applications

No late Part 2 Applications will be accepted under any circumstances.

Incomplete Pre-Auction Security

If your Pre-Auction Letter of Credit is not in a form acceptable to the EDCs, you will receive a deficiency notice. You will have until noon on the Part 2 Application Date, or until 6 PM of the second business day following the business day during which a deficiency notice is sent to you, whichever comes later, to respond. If you fail to meet this deadline, your application will be rejected.

If your Pre-Auction Letter of Credit is insufficient, or if your additional Pre-Auction Security is in a form that is not acceptable to the EDCs, you will receive a deficiency notice. If you cannot correct the deficiency, your application may be rejected or your indicative offer may be reduced by the BGS Auction Manager so that your Pre-Auction Security is sufficient to cover your indicative offer.

You may be required to provide additional information to the BGS Auction Manager and to the Board and its representatives if you are unable to make the certifications required for the auction in which you are submitting this application.

Board: The New Jersey Board of Public Utilities.

Confidential Information: There are two types of Confidential Information. Confidential Information relative to the bidding strategy means information relating to a bidder’s bid, whether in writing or verbally, which if it were to be made public would be likely to have an effect on any of the

bids that another bidder would be willing to submit at the auction. Confidential Information regarding the Auction Process means information that is not released publicly by the Board or the BGS Auction Manager and that a bidder acquires as a result of participating in the Auction Process, whether in writing or verbally, which if it were to be made public could impair the integrity of current or future auctions, impair the ability of the EDCs to hold future auctions, harm consumers, or injure bidders or Applicants. Please consult the BGS-RSCP or BGS-CIEP Auction Rules for a more detailed description of Confidential Information.

Current Assets: A balance sheet item which equals the sum of cash and cash equivalents, accounts receivable, inventory, marketable securities, prepaid expenses, and other assets that could be converted to cash in less than one (1) year.

Current Liabilities: Amount owed for salaries, interest, accounts payable and other debts due within one (1) year.

Current Ratio: A measure of a company's ability to meet short-term debt obligations. Calculated by dividing current assets by current liabilities.

Calculated from earnings before the deduction of interest expenses, taxes, depreciation, and amortization.

EDC: Electric Distribution Company.

EDC Load Cap (BGS-RSCP Auction): An EDC Load Cap in the BGS-RSCP Auction is a maximum number of tranches that any one bidder can bid and win for that EDC. The EDC Load Caps will be announced on November 15, 2024. (Also see Statewide Load Cap.)

Fixed Assets [Plant]: A measure of long-term, tangible assets held for business use and not expected to be converted to cash in the current or upcoming fiscal year, such as manufacturing equipment, real estate, and furniture.

A Qualified Bidder's indicative offer at the Maximum Starting Price for an auction determines the Qualified Bidder's initial eligibility should the Qualified Bidder be registered to bid in that auction.

Joint Venture: An enterprise entered into by two or more people for profit with the purpose of bidding in the auction (the BGS-RSCP Auction or the BGS-CIEP Auction). A joint venture has most of the elements of a partnership, such as shared management, the power of each venturer to bind the others in the business, division of profits and joint responsibility for losses. However, unlike a partnership, a joint venture anticipates a specific area of activity and/or period of operation, so after the purpose is completed, bills are paid, profits (or losses) are divided, and the joint venture is terminated.

Letter of Credit (Pre-Auction) for the BGS-CIEP Auction: Issued by a bank with a minimum senior unsecured debt rating of “A” from S&P Global Ratings or “A2” from Moody’s. The Pre-Auction Letter of Credit must be in the amount of \$375,000 per tranche of the BGS-CIEP Qualified Bidder’s indicative offer at the Maximum Starting Price. The Pre-Auction Letter of Credit may be drawn if the bidder: a) has made a material omission or misrepresentation in the Part 1 Application or the Part 2 Application submitted to participate in the BGS-CIEP Auction; or has violated the BGS-CIEP Auction Rules; or b) has a winning bid in the BGS-CIEP Auction and fails to execute the BGS-CIEP Supplier Master Agreement within three (3) business days of the certification of the BGS-CIEP Auction results by the Board as specified in the BGS-CIEP Auction Rules; or c) has a winning bid in the BGS-CIEP Auction and fails to meet the creditworthiness requirements of the BGS-CIEP Supplier Master Agreement within three (3) business days of the certification of the BGS-CIEP Auction results by the Board as specified in the BGS-CIEP Auction Rules.

Letter of Credit (Pre-Auction) for the BGS-RSCP Auction: Issued by a bank with a minimum senior unsecured debt rating of “A” from S&P Global Ratings or “A2” from Moody’s. The Pre-Auction Letter of Credit must be in the amount of \$500,000 per tranche of the BGS-RSCP Qualified Bidder’s indicative offer at the Maximum Starting Price. (The Qualified Bidder may submit a Pre-Auction Letter of Credit in the amount of \$2,400,000 per tranche of the BGS-RSCP Qualified Bidder’s indicative offer at the Maximum Starting Price in lieu of submitting a Letter of Intent to Provide a Guaranty or Letter of Reference.) The Pre-Auction Letter of Credit may be drawn if the bidder: a) has made a material omission or misrepresentation in the Part 1 Application or the Part 2 Application submitted to participate in the BGS-RSCP Auction; or has violated the BGS-RSCP Auction Rules; or b) has a winning bid in the BGS-RSCP Auction and fails to execute the BGS-RSCP Supplier Master Agreement within three (3) business days of the certification of the BGS-RSCP Auction results by the Board as specified in the BGS-RSCP Auction Rules; or c) has a winning bid in the BGS-RSCP Auction and fails to meet the creditworthiness requirements of the BGS-RSCP Supplier Master Agreement within three (3) business days of the certification of the BGS-RSCP Auction results by the Board as specified in the BGS-RSCP Auction Rules.

In the first round of an auction, each EDC-specific Starting Price will be no higher than the statewide Maximum Starting Price for that auction.

Minimum Starting Price: The Minimum Starting Price is a statewide price. For the BGS-CIEP Auction, the Minimum Starting Price is quoted in \$/MW-day, while for the BGS-RSCP Auction, the Minimum Starting Price is quoted in ¢/kWh. The Minimum Starting Price for each auction will be announced on November 15, 2024. Letter of Credit and, if necessary, a Letter of Reference or a Letter of Intent to Provide a Guaranty. A Qualified Bidder in the BGS-RSCP Auction is notified upon qualification whether a Letter of Reference or a Letter of Intent to Provide a Guaranty is required.

Same Entity: For purposes of an auction (either the BGS-RSCP Auction or the BGS-CIEP Auction), an entity no longer remains the Same Entity if, during the period between the qualification of bidders and three (3) business days after the Board renders a decision on the results of that auction, the entity consolidates into, amalgamates into, or merges into another corporate entity, regardless of whether such an event leads to a change in the entity's legal or trade name.

Starting Prices: The Starting Prices (or EDC-specific Starting Prices) are the going prices in effect during the bidding phase of the first round. Each EDC-specific Starting Price will be set no lower than the Minimum Starting Price and no higher than the Maximum Starting Price. The Starting Prices are released to Registered Bidders for an auction three (3) business days before the start of that auction.

Statewide Load Cap: The Statewide Load Cap for an auction (either the BGS-RSCP Auction or the BGS-CIEP Auction) is a statewide maximum number of tranches that any one bidder can bid and win statewide in that auction. The Statewide Load Caps will be announced on November 15, 2024.
